

Company Overview

At Pathway Health, we are committed to delivering personalized care to help improve a patients' quality of life. We strive to provide patients with timely access to personalized treatment plans using advanced and clinically-proven solutions to achieve the best outcomes.

Pathway Health is one of the largest providers of out-of-hospital pain management services in Canada. We own and operate nine community-based clinics across four provinces where our team of health professionals work together to help patients by using a variety of evidence-based approaches. Our patient care programs utilize an interdisciplinary approach that includes trained pain specialists, physical and occupational therapists, psychologists, nurses and other healthcare providers. Pathway Health has also developed an expertise in harm reduction where medicinal cannabis is being used as an alternative to traditional opioids.

Silver Medical Group, a division of Pathway Health Corp is actively looking for a full-time Registered Practical Nurse with experience as an X-ray Technician or willing to learn, as well as have amazing IV skills, to work out of our North York location.
